COMMENTS (Please elaborate on strengths/areas for growth)

3. Ongoing Professional Learning					He is open to learning and reflection. He attended PD for literacy focus and assisted with the area volleyball tournament, at the school. He needs to model effective dress for gym by wearing appropriate shoes.
Demonstrates commitment to professional growth					
Engages in reflection					
4. Professional Knowledge (planning, implementing and assessing)					He planned well for the gym lesson. There was good opportunity for small and large group activity. He made good use of class routines and expectations to ensure a balanced and active lesson. He had a good flow of specific skill development, and large group game. He had good application for the volleyball skills, using pairs, drills, and a game.
A) Planning:					
Identifies lesson expectations					
Describes pre-assessment of learners including prior knowledge, modifications, accommodations and alternative expectations					
Plans for the learning environment and resources					
Outlines and understands curriculum content and its underlying concepts, facts and skills					
Plans and develops teaching/learning strategies					
Plans a consolidation and application task(s)					
Matches assessment with expectations					
B) Implementing and Assessing:					
Engages the students through an introductory activity					
Uses instructional strategies which facilitate learning					
Uses technologies and resources					
Consolidates and provides an application that solidifies the learning					
Uses assessment strategies/recording devices					
Aware of pacing and timing and the need to be flexible					
5. Management and Communication Practices					Wahid has a quiet voice and a gentle manner which is a good model for students. However, he needs to walk around more to ensure that he is heard. He also needs to check with students to repeat instructions, to ensure focus and attention. His management of the gym class was effective but when playing a game, for safety reasons, precautions need to be made for students who wear glasses. These students were laying on the ground, when t many balls were in the air. It is important to keep a position in the class whereby large class scanning during individual instruction is possible. Good positive comments encouraged team work and participation.
Models communication practices (voice, spoken/written language, ...)					
Uses questioning techniques (Bloom's, probes, prompts, wait time...)					
Promotes a positive and collaborative learning environment					
Uses management strategies (rules/routines, awareness of off-task behaviours, proximity, proactive strategies, ...)					
Reinforces positive behaviour
